

# Conceptual Design for Counseling Resource Center

## *Historical Restoration*

**Phase 1** Counseling Resource Center - Conceptual Schematic

**Phase 1** encompasses the conceptual design that depicts the revitalization, upgrades, and enhancements to the property located at 347 SW Ray Charles Avenue, Greenville, Florida. The intended design establishes a counseling resource center, incorporating a museum in honor of Mrs. Matilda Thomas, business offices, reception area, kitchenette, restrooms, and outdoor amenities.

**Phase 2** Counseling Resource Center - Architectural Plans and Salient Features

**Phase 3** Community Recreation Center

**Phase 4** Educational Resource Center
